They have produced the lightest weight fabrics made and, by tailoring them with a minimum of lining, have evolved two-garment suits of superlative lightness, yet whose lines can never be altered by wear. THE ROBESPIERRE COLLAR.
In its last week's issue the Economic says that a novelty that is being successfully received, especially in high-class lines, is the Robespierre collar. Satin, velvet, ruffles, linen, batiste and all-over embroidery are employed in forming the body of this collar, while shadow and various other dainty laces are utilized in making the tabs or frilled ends. Many variations and adaptations are being featured, with good results. Although opinions differ somewhat as to the permanency of its favor, according to present indications, it appears that this collar is booked for a considerable run.

Royal tailored clothes have a distinctive character and a stylish individuality that appeal to the young man and the man who stays young. The summer models just received have just the snap and swing that appeal to a young man's good taste. These clothes are shown in a wide range or smart, new fabrics. Careful tailoring is a feature. The kind of tailoring that keeps a garment in shape till it is worn out. R. V. Pearson, 110 Texas, local home of Royal tailoring.

CLARKE MAY GET BACK IN GAME

Notwithstanding the fact that Clarke has not his men working in something like their natural stride, there is considerable talk in the Smoky City to the effect that he ought to be in the game himself. It hurts Pirate fans to see a man of Clarke's hitting ability decorating the bench.

It is said that if Clarke goes back into the game, even to make a single attempt at pinch-hitting, the effort will cost him \$500. He has made wagers to that amount to prove the sincerity of his determination to keep out of actual participation in the pastime.

When he announced his retirement, at the beginning of this season, his friends refused to take him seriously. Many offered to bet that he wouldn't stick to his word. Clarke took all these offers, putting up promises of hats, shoes, suits of clothes, dinners—yes, and his shirt. Now, just suppose Pittsburgh should get mixed up in a race for the flag, and suppose there was a decisive game, and it was the ninth inning, and the score of course, tied, and a man on third, and Clarke felt a strong hunch—telling him that he could make a hit? How would you like to be Clarke in a situation like that?

BAD TRACK PREVENTS AUTO SPEEDWAY TRIALS.
Indianapolis, Ind., May 29.—Heavy rains and a slippery track prevented completion of qualification trials for the Memorial day 500 mile motor race at the Indianapolis speedway yesterday, but clearing weather gives promise that the speed tests could be wound up today.

TO HOLD SWIMMING TOURNEY.

ALL START WORK FOR LOCAL BOXING
Four Contestants Have Established Their Training Quarters.

Participants in the boxing program to be staged Sunday, June 3, in the bull-ring at Juarez, have started work for the preliminary training grid. Jack Herrick is to work out at the Juarez race track; Chappie Homer, in the Union Carpenters' hall. The two preliminary contestants of the featherweight division are getting busy, too. Kid Payo has training quarters in the Mexican Athletic club, while Kid Steele will work out in Highland Park.

And four husky negroes are dreaming dreams of upper and straight jobs. They will participate in a battle royal as another preliminary of the Herrick-Homer match. Battle royals are usually lively comedy, and the strongest blacks obtainable will be secured, says the management.

Hayden Nine Journeys to Winkelman and Wins. Score Was Close, But It Was Loosely Played Contest; Hayden Crippled.

Hayden, Ariz., May 29.—With several new faces in the lineup, the Hayden baseball team journeyed to Winkelman to meet the team of that town. It was a poor, and loosely played game, Hayden finally winning by a score of 10 to nine. Several of the members of the Hayden team were out of town substituting being used. A purse had been gotten up for the event, but was called off by both teams and will be used probably next Sunday. The lineup and score were as follows:

Hayden—McClure and Gray, P. Lesher, c.; Steinke 1b.; Ruth, 2b.; McQuinn, 3b.; Rock, ss.; Smith, cf.; Zeke, cf.; Gray and McClure, if.
Winkelman—Auturo, p.; Bostain, c.;
